Note to all Members

Remember, what matters is that you paddle and you paddle often. Paddling is why we are here and we want to offer you every opportunity to improve your paddling skills. The person who's name is against the activity will make every effort to ensure that the session happens, they will be at the end of a phone to answer any questions you may have about suitability, equipment and travel if needed.

Please don't be put off coming to a session that you think may be of no interest to you, free form paddling is always an option and the focused activities are simply there if you wish to join in.
